Principals Message

Dear Parents & Caregivers, 23/08/2018

It has been a reasonably quiet week at Spring Ridge School as most of the children have been busy visiting Ag Quip throughout the week. Although classes were small it allowed children to catch up, revise and practice various areas which are areas we never get a chance to do.

QUIRINDI HIGH SCHOOL TASTER DAY

On Tuesday Lucy, Digby and Faith had the opportunity to go to the local High School and experience 4 High School lessons (LOTE, Ag, PE and Food Tech) with specialist High School teachers. The day was fantastic and the highlight of the day was the Ag lesson down at the school's Ag farm. We would like to thank Quirindi High for the opportunity to visit their school.

CHESS

Nine students headed to Gunnedah to take part in the last chess competition this year. The staff and children would like to thank Johan who has come to the school throughout Term 2 to teach the children the finer details of chess.

AFL UPDATE

Last Friday the children had their first lesson in AFL skills with Sarah. The children all had a great deal of fun, learning the rules and perfecting their catching and kicking skills. Sarah was very impressed with the level of skills that were shown and was particularly impressed with the student's attitude and behaviour, which is always fantastic to hear. It's these comments that bring a smile to my face. Well done kids and keep up this positive approach to learning and having a go at something new. Sarah will be coming again tomorrow and every Friday until week 8.

STATE RUGBY

Good luck to Sam and Gus who are heading off to Coffs next week to represent the North West in Rugby. We are very proud of your achievements already as we have not had anyone go to State Rugby for a very long time. Play Hard, Tackle Hard and Play Strong . But most of all enjoy yourselves, We all can't wait to hear how you went.

Week 6 next week. As I sit and look at the calendar it's appears normal but nothing is ever normal at Spring Ridge School.

Cheers

Mrs P

TASTE OF WINE & BEER

The P & C have asked if every family could please sell as many raffle tickets as possible. First prize is \$1000 cash!!! More books are available either from school or from Sarah Ball. Raffle ticket sales really helps the fundraising efforts go a long way. Everyone's help is very much appreciated.
